Nico M. Peeters *Art in Industry*

Oil paintings

“Surely you can imagine the scene of young kids breathlessly watching bulldozers, excavators, trains, in short anything rolling, sailing or flying, wether thumb in mouth or not?”

Well, I was (am) such a kid...”

Medio November 2018 a cassette with two splendid volumes about the life and work artist Nico M. Peeters will be released. One volume comprises his illustrated autobiography with a complete oeuvre-catalogue and an introduction by arthistorian Irene B. Jacobs, curator at the Rotterdam Maritime Museum. The second volume contains about 200 colour illustrations of paintings, some of them on unfoldpages. The text is bilingual, Dutch and English.

If you sign up for this publication by sending an e-mail to artist@nicompeeters.nl you will be sure of a cassette at the price of **€ 69,95** (excl. dispatch costs). After 1 November the price is **€ 79,95** (excl. dispatch costs).

A biography and splendid overview of many artworks
